THE NO.1 SUNDAY TIMES BESTSELLER BY AWARD WINNER KATE ATKINSON

'An unapologetic novel of ideas which is also wise, funny and paced like a thriller' Observer

In 1940, eighteen-year old Juliet Armstrong is reluctantly recruited into the world of espionage. Sent to an obscure department of MI5 tasked with monitoring the comings and goings of British Fascist sympathizers, she discovers the work to be by turns both tedious and terrifying. But after the war has ended, she presumes the events of those years have been relegated to the past for ever.

Ten years later, now a producer at the BBC, Juliet is unexpectedly confronted by figures from her past. A different war is being fought now, on a different battleground, but Juliet finds herself once more under threat. A bill of reckoning is due, and she finally begins to realize that there is no action without consequence.

Transcription is a work of rare depth and texture, a bravura modern novel of extraordinary power, wit and empathy. It is a triumphant work of fiction from one of this country's most exceptional writers.

'How vehemently most novelists will wish to produce a masterpiece as good' Telegraph

'Milkman is extraordinary. I've been reading passages aloud for the pleasure of hearing it. It's frightening, hilarious, wily and joyous all at the same time.' - Lisa McLnerney, author of The Glorious Heresies

In this unnamed city, to be interesting is dangerous. Middle sister, our protagonist, is busy attempting to keep her mother from discovering her maybe-boyfriend and to keep everyone in the dark about her encounter with Milkman. But when first brother-in-law sniffs out her struggle, and rumours start to swell, middle sister becomes 'interesting'. The last thing she ever wanted to be. To be interesting is to be noticed and to be noticed is dangerous.

Milkman is a tale of gossip and hearsay, silence and deliberate deafness. It is the story of inaction with enormous consequences.

**Description:** Tombland is the seventh novel in C. J. Sansom's number one bestselling Shardlake series.

Summer, 1549.

Two years after the death of Henry VIII, England is sliding into chaos . . .

The nominal king, Edward VI, is eleven years old. His uncle Edward Seymour, Duke of Somerset, rules as Protector. The extirpation of the old religion by radical Protestants is stirring discontent among the populace while the Protector's prolonged war with Scotland is proving a disastrous failure and threatens to involve France. Worst of all, the economy is in collapse, inflation rages and rebellion is stirring among the peasantry.

Since the old King's death, Matthew Shardlake has been working as a lawyer in the service of Henry's younger daughter, the Lady Elizabeth. The gruesome murder of Edith Boleyn, the wife of John Boleyn - a distant Norfolk relation of Elizabeth's mother - which could have political implications for Elizabeth, brings Shardlake and his assistant Nicholas Overton to the summer assizes at Norwich. There they are reunited with Shardlake's former assistant Jack Barak. The three find layers of mystery and danger surrounding Edith's death, as a second murder is committed.

And then East Anglia explodes, as peasant rebellion breaks out across the country. The yeoman Robert Kett leads a force of thousands in overthrowing the landlords and establishing a vast camp outside Norwich. Soon the rebels have taken over the city, England's second largest.

Barak throws in his lot with the rebels; Nicholas, opposed to them, becomes a prisoner in Norwich Castle; while Shardlake has to decide where his ultimate loyalties lie, as government forces in London prepare to march north and destroy the rebels. Meanwhile he discovers that the murder of Edith Boleyn may have connections reaching into both the heart of the rebel camp and of the Norfolk gentry . . .

Includes an Historical Essay from the author on Reimagining Kett's Rebellion.

Now we rise.

Zelie remembers when the soil of Orisha hummed with magic. When different clans ruled - Burners igniting flames, Tiders beckoning waves, and Zelie's Reaper mother summoning forth souls.

But everything changed the night magic disappeared. Under the orders of a ruthless king, anyone with powers was targeted and killed, leaving Zelie without a mother and her people without hope. Only a few people remain with the power to use magic, and they must remain hidden.

Zelie is one such person. Now she has a chance to bring back magic to her people and strike against the monarchy. With the help of a rogue princess, Zelie must learn to harness her powers and outrun the crown prince, who is hell-bent on eradicating magic for good.

Danger lurks in Orisha, where strange creatures prowl, and vengeful spirits wait in the waters. Yet the greatest danger may be Zelie herself as she struggles to come to terms with the strength of her magic - and her growing feelings for an enemy.

The movie of Children of Blood and Bone is in development at Fox 2000/Temple Hill Productions with the incredible Karen Rosenfelt and Wyck Godfrey (Twilight, Maze Runner, The Fault In Our Stars) producing it.

Daniel Radcliffe, Galileo Galilei, Nelson Mandela, Louis Armstrong, Grayson Perry, Louis Braille, Lionel Messi, King George VI, Jamie Oliver... all dared to be different.

Prince charming, dragon slayer, mischievous prankster... More often than not, these are the role-models boys encounter in the books they read at home and at school. As a boy, there is an assumption that you will conform to a stereotypical idea of masculinity.

But what if you're the introvert kind? What if you prefer to pick up a book rather than a sword? What if you want to cry when you're feeling sad or angry? What if you like the idea of wearing a dress?

There is an ongoing crisis with regards to young men and mental health, with unhelpful gender stereotypes contributing to this malaise. Stories for Boys Who Dare to Be Different offers a welcome alternative narrative. It is an extraordinary compilation of 100 stories of famous and not-so-famous men from the past to the present day, every single one of them a rule-breaker and innovator in his own way, and all going on to achieve amazing things. - Why chief strategist Steve Bannon and Trump's son-in-law Jared Kushner couldn't be in the same room
- Who is really directing the Trump administration's strategy in the wake of Bannon's firing
- What the secret to communicating with Trump is
- What the Trump administration has in common with the movie The Producers

Never before has a presidency so divided the American people. Brilliantly reported and astoundingly fresh, Michael Wolff's *Fire and Fury* shows us how and why Donald Trump has become the king of discord and disunion.

Christie Watson was a nurse for twenty years. Taking us from birth to death and from A&E to the mortuary, *The Language of Kindness* is an astounding account of a profession defined by acts of care, compassion and kindness.

We watch Christie as she nurses a premature baby who has miraculously made it through the night, we stand by her side during her patient's agonising heart-lung transplant, and we hold our breath as she washes the hair of a child fatally injured in a fire, attempting to remove the toxic smell of smoke before the grieving family arrive.

In our most extreme moments, when life is lived most intensely, Christie is with us. She is a guide, mentor and friend. And in these dark days of division and isolationism, she encourages us all to stretch out a hand.

**Description:** An intimate, powerful, and inspiring memoir by the former First Lady of the United States, now a No.1 Sunday Times bestseller

'A genuine page-turner, full of intimacies and reflections' Evening Standard

'A polished pearl of a memoir' New York Times

'A rich, entertaining and candid memoir. And overall Obama's a fun person to sit alongside as she tells you the story of her life . . . it is as beautifully written as any piece of fiction' i

In a life filled with meaning and accomplishment, Michelle Obama has emerged as one of the most iconic and compelling women of our era. As First Lady of the United States of America - the first African-American to serve in that role - she helped create the most welcoming and inclusive White House in history, while also establishing herself as a powerful advocate for women and girls in the U.S. and around the world, dramatically changing the ways that families pursue healthier and more active lives, and standing with her husband as he led America through some of its most harrowing moments. Along the way, she showed us a few dance moves, crushed Carpool Karaoke, and raised two down-to-earth daughters under an unforgiving media glare.

In her memoir, a work of deep reflection and mesmerizing storytelling, Michelle Obama invites readers into her world, chronicling the experiences that have shaped her - from her childhood on the South Side of Chicago to her years as an executive balancing the demands of motherhood and work, to her time spent at the world's most famous address. With unerring honesty and lively wit, she describes her triumphs and her disappointments, both public and private, telling her full story as she has lived it - in her own words and on her own terms. Warm, wise, and revelatory, *Becoming* is the deeply personal reckoning of a woman of soul and substance who has steadily defied expectations - and whose story inspires us to do the same.

'Offers new insights into her upbringing on the south side of Chicago and the highs and lows of life with Barack Obama. . . a refreshing level of honesty about what politics really did to her. I have read Barack Obama's two books so far, and this is like inserting a missing piece of reality into the narrative of his dizzying journey' Guardian

'I found myself lifting my jaw from my chest at the end of every other chapter . . . this was not the Obama I thought I knew. She was more' Independent

'An inspirational memoir that also rings true' Daily Telegraph

---

Award-winning journalist Dolly Alderton survived her twenties (just about) and in *Everything I Know About Love*, she gives an unflinching account of the bad dates and squalid flat-shares, the heartaches and humiliations, and most importantly, the unbreakable female friendships that helped her to hold it all together. Glittering with wit, heart and humour, this is a book to press into the hands of every woman who has ever been there or is about to find themselves taking that first step towards the rest of their lives.

\*\*\*\*\*

'Alderton is Nora Ephron for the millennial generation' Elizabeth Day

'Steeped in furiously funny accounts of one-night stands, ill-advised late-night taxi journeys up the M1, grubby flat-shares and the beauty of female friendships, as Alderton joyfully booze-cruises her way through her twenties' Metro

'Deeply funny, sometimes shocking, and admirably open-hearted and optimistic' Daily Telegraph

'The book we will thrust into our friends' hands . . . that will help heal a broken heart. Alderton's wise words can resonate with women of all ages. She feels like a best friend and your older sister all rolled into one and her pages wrap around you like a warm hug' Evening Standard

'A sensitive, astute and funny account of growing up millennial' Observer

'I loved its truth, self awareness, humour and most of all, its heart-spilling generosity' Sophie Dahl

'Alderton proves a razor-sharp observer of the shifting dynamics of long term female friendship' Mail on Sunday

'It's so full of life and laughs - I gobbled up this book. Alderton has built something beautiful and true out of many fragments of daftness' Amy Liptrot

When Billy, a troubled young man, comes to private eye Cormoran Strike's office to ask for his help investigating a crime he thinks he witnessed as a child, Strike is left deeply unsettled. While Billy is obviously mentally distressed, and cannot remember many concrete details, there is something sincere about him and his story. But before Strike can question him further, Billy bolts from his office in a panic.

Trying to get to the bottom of Billy's story, Strike and Robin Ellacott - once his assistant, now a partner in the agency - set off on a twisting trail that leads them through the backstreets of London, into a secretive inner sanctum within Parliament, and to a beautiful but sinister manor house deep in the countryside.

And during this labyrinthine investigation, Strike's own life is far from straightforward: his newfound fame as a private eye means he can no longer operate behind the scenes as he once did. Plus, his relationship with his former assistant is more fraught than it ever has been - Robin is now invaluable to Strike in the business, but their personal relationship is much, much more tricky than that . . .

The most epic Robert Galbraith novel yet, LETHAL WHITE is both a gripping mystery and a page-turning next instalment in the ongoing story of Cormoran Strike and Robin Ellacott.

**Description:** Read by Ben Wishaw and Garrick Hagon, with an afterword read by Lucy Hawking.

The world-famous cosmologist and #1 bestselling author of *A Brief History of Time* leaves us with his final thoughts on the universe's biggest questions in this brilliant posthumous work.

How did the universe begin? Will humanity survive on Earth? Is there intelligent life beyond our solar system? Could artificial intelligence ever outsmart us?

Throughout his extraordinary career, Stephen Hawking expanded our understanding of the universe and unravelled some of its greatest mysteries. But even as his theoretical work on black holes, imaginary time and multiple histories took his mind to the furthest reaches of space, Hawking always believed that science could also be used to fix the problems on our planet.

And now, as we face potentially catastrophic changes here on Earth - from climate change to dwindling natural resources to the threat of artificial super-intelligence - Stephen Hawking turns his attention to the most urgent issues for humankind.

Wide-ranging, intellectually stimulating, passionately argued, and infused with his characteristic humour, *BRIEF ANSWERS TO THE BIG QUESTIONS*, the final book from one of the greatest minds in history, is a personal view on the challenges we face as a human race, and where we, as a planet, are heading next.

No one is born a leader. But through sheer determination and by confronting life's challenges, Ant Middleton has come to know the meaning of true leadership. In *First Man In*, he shares the core lessons he's learned over the course of his fascinating, exhilarating life.

Special forces training is no walk in the park. The rules are strict and they make sure you learn the hard way, pushing you beyond the limits of what is physically possible. There is no mercy. Even when you are bleeding and broken, to admit defeat is failure.

To survive the gruelling selection process to become a member of the elite you need toughness, aggression, meticulous attention to detail and unrelenting self-discipline, all traits that make for the best leaders.

After 13 years service in the military, with 4 years as a Special Boat Service (SBS) sniper, Ant Middleton is the epitome of what it takes to excel. He served in the SBS, the naval wing of the special forces, the Royal Marines and 9 Parachute Squadron Royal, achieving what is known as the 'Holy Trinity' of the UK's Elite Forces. As a point man in the SBS, Ant was always the first man through the door, the first man into the dark, and the first man in harm's way.

In this fascinating, exhilarating and revealing book, Ant speaks about the highs and gut-wrenching lows of his life - from the thrill of passing

Special Forces Selection to dealing with the early death of his father and ending up in prison on leaving the military - and draws valuable lessons that we can all use in our daily lives.

**Description:** Penguin presents the audiobook edition of Becoming by Michelle Obama.

An intimate, powerful, and inspiring memoir by the former First Lady of the United States

'A genuine page-turner, full of intimacies and reflections' Evening Standard

'A polished pearl of a memoir' New York Times

'A rich, entertaining and candid memoir. And overall Obama's a fun person to sit alongside as she tells you the story of her life . . . it is as beautifully written as any piece of fiction' i

In a life filled with meaning and accomplishment, Michelle Obama has emerged as one of the most iconic and compelling women of our era. As First Lady of the United States of America - the first African-American to serve in that role - she helped create the most welcoming and inclusive White House in history, while also establishing herself as a powerful advocate for women and girls in the U.S. and around the world, dramatically changing the ways that families pursue healthier and more active lives, and standing with her husband as he led America through some of its most harrowing moments. Along the way, she showed us a few dance moves, crushed Carpool Karaoke, and raised two down-to-earth daughters under an unforgiving media glare.

In her memoir, a work of deep reflection and mesmerizing storytelling, Michelle Obama invites readers into her world, chronicling the experiences that have shaped her - from her childhood on the South Side of Chicago to her years as an executive balancing the demands of motherhood and work, to her time spent at the world's most famous address. With unerring honesty and lively wit, she describes her triumphs and her disappointments, both public and private, telling her full story as she has lived it - in her own words and on her own terms. Warm, wise, and revelatory, Becoming is the deeply personal reckoning of a woman of soul and substance who has steadily defied expectations - and whose story inspires us to do the same.

'Offers new insights into her upbringing on the south side of Chicago and the highs and lows of life with Barack Obama. . . a refreshing level of honesty about what politics really did to her. I have read Barack Obama's two books so far, and this is like inserting a missing piece of reality into the narrative of his dizzying journey' Guardian

'I found myself lifting my jaw from my chest at the end of every other chapter . . . this was not the Obama I thought I knew. She was more' Independent

'An inspirational memoir that also rings true' Daily Telegraph
